TRACERTONG fontworks

End User Licence Aggreement - August 2014

These fonts are freeware for independent creation and non-profit use. This excludes use by "mainstream" publishers without a license fee. Use by a "mainstream" publisher (or its employee) and use for commercial production (e.g. magazine ads, merchandise labels) requires a license fee be paid to the designer, Paul Reid (TracerTong).

These fonts must NOT be redistributed without the author's permission and must ALWAYS include this text file in the .zip or .rar file.

NOTE: If you have downloaded this archive from another site (Dafont etc) this version may NOT be the most up to date. From time to time, I update some fonts and re-upload them to my site.

Personal use: Donationware: £1   GBP

if you like the font and use it.

This will encourage me to continue to create new fonts

Commercial Use: NOT ALLOWED

TracerTong/WhoAmI/Paul Reid makes no guarantees about these font files, the completeness of character sets, or safety of these files on your computer. By installing these fonts on your system, you prove that you have read and understand the above.

Enjoy!
