

Fonts by David Kerkhoff – License & FAQ

First of all Thank you for choosing one of my fonts! I hope you will enjoy it! Most of my fonts are demo / donationware. You can use the demo version for free (personal use), but using it commercially requires a donation. You can donate via PayPal – the payout account is hanoded@gmail.com. Alternatively you can use the 'Donate to author' button next to the font on DaFont.com or fontspace.com

Full Version Since the demo versions are bare-bones and only come with the necessary glyphs, full versions are also available. Typically the full version comes with all glyphs, extensive language support, embedding rights, kerning and in most cases ligatures, alternates and extras. If you want to buy the full version, you can find, buy and download it from my website

www.hanodedfonts.com

Donations: If you are happy with the demo font and don't need the full version, you can make a donation. The amount is entirely up to you.

License: After your donation you can use the chosen (demo) font as you like, for commercial or non-commercial projects. There are some exceptions, please read the following carefully:

Exceptions: 1) You cannot use any of my fonts for embedding in software without my written consent. If you are a software developer and would like to use my font in your software, you can buy a 'server' license from my site: www.hanodedfonts.com

2) You cannot resell, relabel, rename or redesign my fonts. That also includes adding new glyphs or redesigning existing glyphs. If you want some additional glyphs, please contact me. I really don't like seeing my

Fonts pop up on shady websites and I WILL take legal action against you if you do.

3) You cannot add my fonts to your website and let people download them!

4) My fonts may NOT be used for pornographic, derogatory, defamatory or racist material (in any form, printed or virtual); my fonts may NOT be used by individuals or companies involved in child abuse, child pornography or child labour; my fonts may NOT be used by individuals or companies involved in destruction of natural resources and/or habitat, logging (even legal), palm oil exploitation/harvesting, tuna fishing, whaling, animal trafficking, oil and/or gas drilling or transporting and mining. My fonts may NOT be used by individuals or companies promoting an unhealthy lifestyle (fastfood, energy drinks, GM Foods, etc.). My fonts may NOT be used by missionaries, individuals or institutions of any creed or faith for the purpose of converting others to their creed or faith.

5) Scrap-bookers: you cannot sell my fonts as part of a 'Scrap Booking Kit'

6) App, game and software developers - you cannot use demo fonts for your apps, games and software. You will need to purchase a 'Server License' which you can find on my website: www.hanodedfonts.com

7) The copyright of ALL of my fonts remains with me, David Kerkhoff. After donating, you merely get a license to use my font. You don't own it. I do.

If you are not sure about the license for your font, please contact me. Got that? Good.

Freebies: Feel free to use my fonts on your computer, to write your grandma a letter, to print name-labels for your hamster, to experiment with the art of tattooing (using India ink on your younger brother) and to scare your girlfriend by decorating her house with 8 foot 'I Love U' letters.

Non-profit Organizations: Non-profit/Charity organizations can use my fonts for free. Please DO write me an email before you are going to use my font, because some non-profit organizations are a bit shady.... and no, I do not consider sticking a free app in the app store to be non-profit use. Any questions: write me an email. And please, DO NOT CONTACT ME ABOUT HOW TO INSTALL THE FONT!!!!!! You will find lots and lots of instructions and how to's on dafont.com and fontspace.com
