

Fonts by David Kerkhoff - License & FAQ

First of all Thank you for choosing one of my fonts! I hope you will enjoy it! Most of my demo fonts are donationware. You can use the demo version for free (personal use), but using it commercially requires a donation. You can donate via PayPal - the payout account is hanoded@gmail.com. Alternatively you can use the 'Donate to author' button next to the font on dafont.com or fontspace.com

PURCHASING FULL FONT(S)

Since the demo versions are bare-bones and only come with the necessary glyphs, full versions are also available. Typically the full version comes with all glyphs, extensive language support, embedding rights, kerning and in most cases ligatures, alternates and extras. If you want to buy the full version, you can find, buy and download it from my website

www.hanodedfonts.com

EUROPEAN CUSTOMERS

Due to the unbelievably complex new European tax rules for digital downloads, I can only sell fonts to European customers with a valid VAT number. Private customers from the European Union can go to

www.myfonts.com, www.fontspring.com & www.fontbros.com

These rules only apply to European customers; anyone from outside the EU can purchase fonts from my site freely, or from www.myfonts.com, www.fontspring.com & www.fontbros.com.
