This allows you to create items with text for yourself.

Create address labels for yourself or a birthday card for Grandma.

Create and print your own Baby announcements, or wedding invitations.

You may NOT sell products made with this font.

You may NOT distribute (sell or give away)

Making money is NOT the only thing to differentiate personal use.

Students and Teachers are welcome to use my fonts for no charge on school related projects.

\*If you sell on TpT, you need to purchase a license.
