Product Description :

Rolling Brush is a script font that gives handwriting appearance with original and personal brush details. This font is made beautifully so that the letters are connected to each other, creating a continuous and flowing look. Each letter is attached to the previous letter and continues to the next letter, creating beauty in writing unity. This font shows brush details on each letter. Brush strokes displays a rough, organic texture to the edges of the letters, adding dimension and visual life. These details give a unique impression to this script font. On the other hand, even though it has a rough border, this script still maintains a natural and elegant aesthetic touch. Some letters may have dramatic twists, while others are simpler. This flexible shape creates an expressive and creative look to the lettering. Because it is designed with a rough border, it would be better if you use this font at a large text size so it is more easy to read. Enjoy the various features available in this font as well.

Features:

- Alternates
- Ligatures
- Multilingual Supports
- PUA Encoded
- Numerals and Punctuations

Rolling Brush is suitable for any designs that want to convey a warm, personal and alluring impression. You can use this font in the design of greeting cards, invitations, logos, labels, and many other design projects that want to create uniqueness through a natural, handwritten touch. Find out more ways to use this font by taking a look at the font preview.
